Graphic Design 2016

ART DIRECTION

Provided project and brand management along with production supervision, new client generation, project layout, implementation, copywriting, and marketing for business collateral and campaigns. Engaged in client relationships through meetings as well as company, project, and customer R&D work.

GRAPHIC DESIGN

Provided branding design for use in business collateral as well as design for publications, newsletters, print ads, social media, building signage, trade show and vehicle graphics. Created graphics and design guides for award winning documentary films.

MARKETING

Created multimedia ad campaigns including print, web, and radio, and other communication resources. Sought out alternative advertising opportunities that assisted clients with staying on budget. Successfully assisted in creating marketing materials and presentations for many multi-million dollar commercial real estate projects.
